Students must recite the verses accurately and on time. Discussion Questions: Do you believe that you are who God says you are? Do you believe that you are made in the image of God? Is this a powerful thing to reflect upon? What might this mean for your life in 2021, knowing that you are made in the image of God? Does this give you a sense of possibility for your life? A sense that you are made for a great purpose in this life?
